# DATA PRIVACY / DPDP POLICY

## HCLTech Career Shaper Programme

Effective Date: January 2024
Version: 1.0

DATA PRIVACY / DPDP POLICY
HCLTech Career Shaper Programme

Effective Date: January 2024
Version: 1.0

1. PURPOSE
This policy establishes the data privacy requirements compliant with the Digital Personal Data Protection (DPDP) Act for all participant data in the HCLTech Career Shaper Programme. It aims to protect the personal information of all stakeholders.

2. SCOPE
This policy applies to all collection, processing, storage, and sharing of personal data related to the Career Shaper Programme, including student records, assessment data, and participant communications.

3. DATA COLLECTION
- Only personal data necessary for programme purposes will be collected
- Data collection will be limited to what is specified in the registration form
- Special category data (sensitive personal information) will not be collected unless explicitly consented to

4. PURPOSE LIMITATION
- Personal data will only be used for the purposes specified at the time of collection
- Data will not be repurposed without fresh consent from the data principal
- Secondary use of data for research or analytics requires anonymization

5. DATA SUBJECT RIGHTS
- Right to access: Participants may request a copy of their personal data held by the programme
- Right to correction: Participants may request inaccurate personal data be corrected
- Right to erasure: Participants may request deletion of their personal data, subject to legal retention requirements
- Right to grievance: Participants may lodge grievances regarding data processing through the established mechanism

6. DATA RETENTION
- Personal data will be retained only for as long as necessary to fulfil the purpose for which it was collected
- Student records will be retained for 3 years after programme completion
- Assessment data will be retained for 2 years
- Anonymous aggregate data may be retained longer for programme improvement

7. DATA SECURITY
- Administrative, technical, and organizational measures will be implemented to protect personal data
- Encryption will be applied to personal data in transit and at rest
- Access to personal data will be limited to authorized personnel on a need-to-know basis
- Regular security assessments will be conducted

8. THIRD-PARTY SHARING
- Personal data will not be shared with third parties without explicit consent, except as required by law
- When sharing is necessary, data sharing agreements will be executed
- Third parties must provide equivalent data protection guarantees

9. BREACH NOTIFICATION
- In the event of a data breach, affected participants will be notified within 72 hours
- The programme will notify the relevant supervisory authority as required by law
- Breach response procedures will be tested annually

10. POLICY COMPLIANCE
- Non-compliance may result in disciplinary action and regulatory penalties
- The Data Protection Officer is responsible for oversight of this policy
- Regular audits will be conducted to ensure compliance
